Tryouts – Time and Travel

Club X Soccer is part of the Miami Valley Youth Soccer Association (MVYSA) and the Buckeye Premier Youth Soccer League (BPYSL). Essentially, every player who takes part in a Club X Soccer team must attend a tryout to be evaluated for participation. ALL new and returning players will attend tryouts.

As part of the MVYSA and BPYSL, teams can expect to attend league games (generally 7-8 a season). Generally, half the games are played away and half at the Eakle Soccer Complex/Doug Adams Stadium (our home fields). In addition, many teams attend tournaments with locations dependent on individual teams. As part of your Club X Soccer fees, three tournaments are included, six professional field training sessions per season and weekly professional goalkeeper training. Also included is the **Tornado Memorial Tournament** held each spring.

Being part of a select soccer team is a time commitment. Each player needs to be able to commit for **BOTH the fall and spring seasons** (HS age is spring only) because it is considered a year-long selection to be on a team and it takes a roster spot for both seasons. Indoor/futsal maybe played but it is up to each team.

Most teams practice 1-3 times per week with 1-2 league games per week. Attendance is expected.

Tryout – Age Divisions

2018-2019 Seasonal Year

9U - Born in 2010

10U - Born in 2009

11U - Born in 2008

12U - Born in 2007

13U - Born in 2006

14U - Born in 2005

15U - Born in 2004

16U - Born in 2003

17U - Born in 2002

18U - Born in 2001

19U - Born in 2000

9U-10U teams will play 7v7, 11U-12U will play 9v9, 13U-19U will play 11v11, mvysa will not offer 8U divisions. MVYSA will permit a 9U player to play on a team whose oldest player is 10U but not older. Any player older than a 9U can 'play up' as much as the parents and coaches feel is in the best interest of the player (ie a 10U could 'play up' on a 11U or 12U team). No player may 'play down'.

CLUB X SOCCER MISSION STATEMENT -

Committed to Player Development

Club X Soccer is dedicated to providing an environment where players are encouraged to succeed in becoming creative multifunctional players. Additionally we use soccer as a means to develop self-esteem, discipline and confidence to benefit the player's lifestyle, career and the community. We believe that providing a quality training and coaching staff, excellent facilities and a positively charged learning atmosphere is the recipe for success. Our group of dedicated coaches and trainers are concerned as much about off the field conduct as they are with on the field play.

Preparing players for the next level!

Tryouts – Expectations

Upon arriving at tryouts expect to find a large group of people. Just make your way to the registration table in the shelter and fill out the appropriate paperwork. Volunteers will be at the tables to assist and to answer any questions.

After filling out the paperwork, please have your child go to the assigned location for his/her age group. If players are trying out to play “up” on an older team please get permission from the volunteer so they can include it on the paperwork for the coach.

All tryout sessions will be run by the team’s coach or trainer. The Director of Coaching will have all coaches following a recommended tryout format.

There will be a heavy emphasis on skills, work rate, and attitude at tryouts. Players may be broken into groups for certain evaluation while others engage in another activity. Please don’t read too much into this situation – it’s difficult at times to evaluate 20-30+ players! Some smaller groups facilitate evaluation.

Every player will be notified no later than **Saturday, June 9th**. Keep in mind, some players will have to wait for word while coaches are awaiting confirmations from other players.

Please be prompt in your acceptance to a team as it may affect other decisions.

Please bring a soccer ball, shinguards, water, and appropriate shoes.

Tryouts – Location

Tryouts will take place at the Eakle Soccer Complex on Old Springfield Pike. Access is very easy – simply take Route 68 north out of Xenia and turn onto Old Springfield Pike (just about 1 mile from Key Chrysler). The fields are visible as soon as you turn. Use 1260 Old Springfield Pike, Xenia, 45385 as a physical address if needed.

Club X Soccer – Info

Club X Soccer is an official 501C3 non-profit organization. We became officially incorporated in 1997. Our home is the Eakle Soccer Complex on 14.69 acres of very flat land. Xenia’s old drive-in theatre location. And we now have use of turf at Doug Adam’s Stadium as well!

Each team is run by individual coaches and any one of the talented pool of Club Trainers. Player development is the ultimate goal of the club. Providing the players with the right tools to be successful includes skills, character, understanding, and hard work.

Club X Soccer charges a player fee to participate on a Club X Soccer team. Payment arrangements can be made with the Club Treasurer. The penalty for non-payment is the player card being retained by the Club until payment is obtained.

Fees are all inclusive unlike many independent clubs/teams who continually need money. Fees include: league fees, tournament fees, referee fees, training fees, field maintenance, office supplies and insurance. Uniform fees are separate.
